Evil World

👁 5 ✓ 0 ★ 1

Chapter 1 by Magdalene

When I left my safe place, there was nothing. I hear murmurs of the others who live inside the walls, whispering about the world that I was entering. That it was evil. Dark. Damp. A heartless assassinator seeking out the strong and corrupting them and then murdering the weak. The world had blood on its hands.

My escorts didn't speak to me. They didn't even look me in my eyes. So I was led out into the evil world, alone and unarmed. But, as I step out into the sunlight for the first time, I doubted what the walls said. This world felt loving. The sun caressed my pale skin and warmed my heart. The ground hugged my feet.

Then my escorts turn around and disappear, leaving me alone at the edge of the wood in front of a Shell gas station.

I took a deep breath of the pine smelling air. My new life is beginning.
